Little Traverse Bay Bands of Odawa Indians Substance Abuse Department

It is the primary goal of the Little Traverse Bay Bands of Odawa Indians Substance Abuse Department to provide quality addiction recovery, prevention, and mental health services that will integrate and reinforce the Waganakising Odawa cultural values to clientele and their families who experience life challenges resulting from abuse of substances, addictions, mental health issues and/or historical trauma. The team of qualified professionals will call upon tribal elders (Gikaajik), traditional medicine people (Gete Mshkikii Ni-nook), and spiritual leaders (Mnidoowaadziwin naagaanzidjik), and collaborate with other trained professionals and programs.

The Substance Abuse Program provides a culturally-sensitive and family-focused curriculum to assist clientele in re-establishing and fostering healthy lifestyles and to assist clientele in healthy decision making. The Substance Abuse Program provides individual, family, and group counseling, recognizing the concept of alcoholism and drug addiction as treatable diseases. Other services include assessments, education, prevention, and referrals to services otherwise not available at the tribal level. The Substance Abuse Program is licensed with the State of Michigan and accredited through the Rehabilitation Accreditation Commission (CARF).
