

FIND THE TREATMENT AND SUPPORT SERVICES THAT ARE RIGHT FOR YOU.

Access and Care Coordination Center

American Indian Health and Family Services

Our mission is to help ensure the survival of Native American families and individuals by providing quality health care and by supporting the healing process, encouraging, educating, and empowering our clients in seeking and maintaining wellness and enhancing the quality of their life, and by facilitating the equity and accessibility of comprehensive health care for the Native American community.

Our approach integrates traditional Native American healing and spiritual practices with contemporary western medicine in both treatment and prevention.
