

Bear River Health at Walloon Lake

Bear River Health at Walloon Lake will provide high quality and innovative addiction recovery services to our clients and the community.

Welcome to Bear River Health at Walloon Lake (BRH). Bear River Health (BRH) and its staff are committed to provide a safe and therapeutic environment to support your path to a life of recovery. BRH is a drug and alcohol free environment and an abstinence-based program. An integral part of your treatment relies on your personal investment into the process of individual and group therapy, respectful and authentic social interactions, developing a physical activity plan specific for you learning and implementing nutritional education, engaging in healthy leisure time, and much more. This program is intended to be intense both format and scheduling which will benefit you as you move through the process of restoration to health.
