**Keweenaw Bay Indian Community  
Substance Abuse Programs**

Keweenaw Bay Indian Community Substance Abuse Programs (KBICSAP) includes both residential and outpatient treatment for alcoholism and chemical dependency. KBICSAP is state licensed and CARF accredited and offers a variety of both Traditional and Western treatment options that are culturally appropriate, holistic, and tailored to meet the needs of the individual. The program aims to lessen or eliminate the problems caused by substance abuse and to assist the individual in reestablishing a life characterized by balance and harmony through education and counseling.
