# RESIDENTIAL FACILITY

## Phoenix House Inc.

Phoenix House Inc. has been providing Substance abuse services for those in need since 1973. During this time, thousands of men & women have participated in residential, extended care residential, and outpatient substance abuse services provided by Phoenix House.

Phoenix House believes that abstinence from drugs & alcohol; and abstinence based recovery, provide the best opportunity to overcome addiction, and to develop the mind, body, and spirit. Through evidence based practices for addiction services and other behavioral health issues, we strive to enhance the lives of the individual, family and community.

*Phoenix House has just Opened Up a New Outpatient Office in Hancock MI. We would be happy to accept outpatient referrals there.*
