# PLAINWELL COUNSELING CENTER

Our mission is to provide the community with integrated helping services, including family support, mental health counseling, addiction treatment and recovery, education and prevention.

The hallmark of Plainwell Counseling Center is our commitment to treating the whole person and the whole family. We work with clients to heal and resolve their core issues and balance mind, body, and spirit. We have a full circle of services that are offered through a range of professional counseling and support services, as well as a Holistic clinic which provides acupuncture and massage.
